

# Why Belong to the Association?

## *Where do we Start?*

The association offers great benefits exclusively for our membership. Take a look at what we have to offer our ***Professional Individual Members and Affiliates!***

---

### **1. Member Discounts:**

Members receive discounts on a variety of valuable services....

*-Training and Conference Discounts:* KAAP members receive \$50 off the fall conference and great discounts on other KAAP sponsored workshops. *You can easily save at least the amount of your dues in lower training costs.*

We have also developed a ***"members only" website*** to offer you exclusive access and will update you on the state policy changes, legislative changes and issues which affect you as a professional through ***weekly email alerts!*** You will also receive weekly email updates.

### **2. Legislative advocacy:**

KAAP has contracted with one of the best lobbyists in the state of Kansas. His leadership and guidance has been invaluable to the association. *As a member, you have the opportunity to get engaged in public policy and shape the future of the profession through legislative advocacy and connection to state leaders and policy makers!*

### **3. Membership in our national affiliate the National Association of Addiction and Drug Abuse Counselors (NAADAC):**

Their lobbying and educational opportunities are available to KAAP members. *You can get 13 free continuing education units simply by being a NAADAC member!*

### **4. Networking with peers:**

KAAP members have numerous opportunities to interact with colleagues regarding issues that impact the addictions and prevention profession.

And that's not all! KAAP is constantly reviewing new partnership opportunities and adding to these great member benefits! So, are you ready to Join KAAP? Simply fill out our Application titled, "Three Steps to Membership." And let us be the first to say, **"Welcome to the association!"**
